

Banning Police Department
125 E. Ramsey Street, Banning, CA 92220 (951) 922-3170

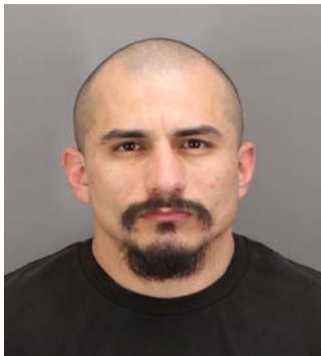

Press Release

Date: November 6, 2018

Case# 18-2891

Location: San Geronio Memorial Hospital 600 North Highland Springs Avenue.

Incident: Update on Suspicious Death Investigation

Dany Vidaury
DOB: 09/27/1983

UPDATE:

Detectives from the Banning Police Department conducted a death investigation of a two year old female. During the investigation, Detectives learned the two year old victim had sustained severe head and body trauma. After obtaining an original statement from the two year old's father, Dany Vidaury, a thirty-five year old resident from the City of Banning, and evidence associated with this case, Vidaury's account of the incident did not coincide with evidence obtained by Detectives. Vidaury was subsequently placed under arrest for the death of the two year old.

Detectives also obtained evidence days prior; the two year old was in good health and spirits. Vidaury took care and custody of the two year old on November 1, 2018 and during that time, Vidaury was the sole caretaker and person in contact with the two year old. The two year old sustained head injuries and bruising throughout her body, which resulted in the death of the two year old.

The Banning Police Department is continuing their investigation into this case and requests the public's help with any information they may have about Vidaury. The public is urged to contact the Banning Police Department at 951-922-3170.

ORIGINAL PRESS RELEASE:

On Tuesday, November 6, 2018, at about 0645 hours, Banning Police Department Patrol Officers were dispatched to a suspicious circumstances call at San Gorgonio Memorial Hospital located at 600 North Highland Springs Avenue in the City of Banning. The reporting party, who is a hospital employee, stated that an adult male arrived at the hospital with a two year old female toddler who was not breathing. It was also reported that the toddler had an apparent head injury.

Banning Police responded to the location and learned that the toddler had in fact sustained head trauma and that the toddler had succumbed to the injuries sustained. Banning Police Department Detectives were summoned to the location and assumed the investigation. The father of the toddler has been detained for further questioning. Banning Police Department Detectives are in the early stages of their investigation and will provide updates as they become available.

The Banning Police Department is asking if anyone has additional information about this incident, to please call the Banning Police Department Detective Bureau at 951-922-3170.
