Once officers arrived on scene, they located the victim inside the Sizzle Restaurant. Officers learned the Assault with a Deadly Weapon did not occur at the location. The victim, who will not be identified, was approached by a vehicle in the 300 block of Roberge Street. The victim told officers that the vehicle was occupied by two Hispanic male adults. Once the victim was approached by the vehicle, one of the occupants of the vehicle produced a handgun and opened fire on the victim, but missed. The victim, in fear for their life, took off running to Sizzler where they called 9-1-1.

Officers were able to locate evidence of a shooting in the 300 block of Roberge Street. Officers also located witnesses to the shooting. Officers were able to get a description of the suspects and vehicle they were driving in. After further investigation, one of the suspects in the vehicle was positively identified as Michael Mariscal, a 19 year old resident of the City of Banning.

At about 1300 hours, Detectives from the Banning Police Department and patrol personnel located the suspect vehicle, which was occupied in the 400 block of Grove Street in the City of Banning. Detectives were able to positively identify Mariscal in the driver seat of the vehicle and a second Hispanic male adult was seated in the passenger seat. Once officers attempted to make contact with the vehicle, the vehicle fled at a high rate of speed and a vehicle pursuit ensued.

After a short vehicle pursuit, the vehicle crashed in the 2200 block of West Wilson Street. The passenger of the vehicle, who was identified as Jimmy Favela, a 35 year old resident of Banning, exited the vehicle after the crash and took off running before being apprehended by officers a short time later. Mariscal, who was driving, was arrested at the crash scene without incident.

Mariscal was found to be in possession of a loaded handgun. During a search of the suspects' vehicle, an additional loaded handgun was located. No injury occurred to law enforcement, suspects, or the public during this incident.
